**Subject:** SETAC North America 40th Annual Meeting Abstract Acceptance Final ID

Dear Justin Conley,

Your presentation is included in the final program with the following details:  
Session: Understanding Risks from Exposures to Per- and Polyfluoroalkyl Substances (PFAS)  
Title: Developmental toxicity of in utero exposure to perfluoroalkyl ether acids: Comparison of GenX, Nafion byproduct 2, and Perfluoro-2-methoxyacetic acid  
Final ID: 292  
Presentation Type: Platform  
Room: 718A  
Date: Tuesday November 5th, 2019  
Presentation Start Time: 10:20 AM

PLEASE READ the presentation guidelines found here: <https://toronto.setac.org/presentation-guidelines/>

VISA and travel information can be found here: <https://toronto.setac.org/venue/visa-contact-form/>

You can now go online and create your personal exportable and downloadable meeting itinerary. You are now able to view all final sessions descriptions and full abstracts. You can access the online itinerary planner using the same username and password you use to access the Global SETAC website. Changes can no longer be made to any presentation or session because all meeting data has been sent to the printer.

All presenters must register for the meeting, pay applicable registration fees and attend the meeting.

You can access your personal Itinerary Planner, view public program and download PDFs here:  
<https://meetings.setac.org>

\* if the system automatically logs you in, click "logout" in the upper right corner of the screen and select the correct meeting and module before logging in.

If you forgot your login credentials, you can retrieve your password here:

<https://meetings.setac.org/member/forgotPassword>

If you need assistance with your login information, contact Laura Swanson at [laura.swanson@setac.org](mailto:laura.swanson@setac.org)

Please send me any question you have regarding this presentation.

See you in Toronto!

Please view <https://toronto.setac.org> for any updates.

Thanks,

Jason F. Andersen
